

Goal Anchors

Outdoor Anchors

Sports

Equipment & Flooring

Our goal... Your safety!

To conform to British/European Safety Standards and FA guidelines, anchors must be fitted to all sizes and types of freestanding sports posts, unless the specification is for integrally weighted posts.

Outdoor goal anchors for natural and synthetic surfaces (unless otherwise stated)

Risk assessment

It is essential to conduct a risk assessment of the site to determine suitability for type of anchorage to be used.

Consideration should given to:

- Surface type
- Variable soil conditions
- Risk of causing additional hazard
- Correct number or amount of stabilising weight required

Preferred options:

- Attachment to permanent in ground anchorage
- Attachment to fixed surround facing
- Attachment of portable counterbalance weights

Flip up style anchor socket

Recommended: minimum 2 No. anchors. Specially designed for installation with synthetic surfaces and tarmac surfaces. Flips up to enable easy attachment of carbine clip and chain. Flush fitting lid for safety when not in use. Size: top/bottom plate 100mm x 100mm, height 330mm. Must be installed into 350mm cube of concrete. **OSE-F1211**

Fence type anchor

Fence type anchor

Recommended: minimum 2 No. anchors. Complete with eyebolt. 2 x carbine clips and 3m length of chain. Suitable for all sports posts. For attaching to surround fence or use with OSE-F1211. **OSE-F1213**

Heavy duty turf anchor

Recommended: minimum 2 No. anchors. Must be used for hockey goals on soft ground. Heavy duty version of standard turf anchor. Complete with anchor chain and clip for attachment to back rails. **Set of 2** **OSE-F1204**

Standard turf anchor

For natural grass and synthetic surfaces. Recommended: minimum 2 No. anchors. Complete with galvanised chain carbine clip and 'U' type bracket. Suitable for either natural grass or for concreting below synthetic surfaces. To fit up to 43mm diameter back tubes. Full installation instructions included. **Set of 4** **OSE-F1202**

Flip up style anchor socket

Heavy duty turf anchor (top)
Standard turf anchor (bottom)

Standard outdoor counterbalance anchor weight

Required anchors for various sports. Quantities are per single sports post.

Senior and junior football goals	6 No.
Mini soccer/FUTSAL/9v9 (steel/ali)	6 No.
Mini soccer/FUTSAL (plastic)	2 No.
Five-a-side football	4 No.
Hockey	10 No.

Comprises a 17kg handbag style portable weight complete with covered chain, carbine clip and 'U' type bracket to fit up to 43mm diameter back tubes. **OSE-F1206**

Tarmac type ground anchor

Recommended: minimum 2 No. anchors. Specification as standard anchor but with no stabilising bar, for installing directly through tarmac surface. Complete with galvanised chain, carbine clip and 'U' type bracket. Designed to be installed below ground level. To fit up to 43mm diameter back tube. **Set of 4** **OSE-F1208**

U-peg ground anchor

Recommended: minimum 2 No. anchors. For natural grass surfaces only. A risk assessment is required to evaluate suitability of ground conditions. Zinc plated steel 'U' peg, 450mm long x 10mm diameter. For insertion over the rear ground stabilising bar and into the ground. **Set of 4** **OSE-F1210**
