

synthetic pitch divider systems

Heavy Duty Winch Posts

Pitch divider systems allow the playing surface to be divided up into sections. Designed to be installed outside of the perimeter fence and can hang netting with minimal sag over a span of up to 63m.

100mm square posts manufactured from 4mm galvanised steel that are polyester powder coated green, other colours available – price on application.

Winch post is fitted with a high specification brake winch and top pulley wheel.

Dummy post complete with pulley wheel and cleat.

Winch has enclosed gears for added safety. Detachable handle and a maximum load rating restricted to 100kg.

Available in the following out of ground heights:

2.7m high post	OSE-S1590
3.0m high post	OSE-S1592
3.6m high post	OSE-S1594

Economy Winch Posts

Designed to be installed outside the perimeter fence and can hang netting with minimal sag over a span of up to 63m.

100mm square posts manufactured from 4mm thick steel that are polyester powder coated green.

Winch Post is fitted with an economy winch and top pulley.

Dummy post complete with pulley wheel and cleat.

Winch has exposed mechanism and a maximum load rating of up to 350kg.

Please Note: Load rating is not restricted and can be over tightened.

Available in the following out of ground heights:

2.7m high post	OSE-S1596
3.0m high post	OSE-S1598
3.6m high post	OSE-S1600

Pitch Divider Post Sockets

920mm deep sockets with a 103mm square internal face.

OSE-S1602

Pitch Divider Netting

50mm square mesh, UV resistant, 2.0mm thick black polypropylene netting with selvaged edges.

Allow 2.5% extra on overall length of netting.

2.7m high per metre	OSE-S1604
3.0m high per metre	OSE-S1606
3.6m high per metre	OSE-S1608

Essential Components

4mm Pitch Divider Wire	OSE-S1610
Stainless Steel Split Rings	OSE-S1612
Dog Clips	OSE-S1614
Bottom Band with 20mm Rope	OSE-S1616
Polyethylene 6mm Rope	OSE-S1618

Net Storage Pouch

PVC Storage pouch designed to fix to weld-mesh fences. The pouch allows for easy storage of the divider netting, protecting it against unnecessary wear and tear when not in use.

1 x 900mm high black PVC pouch complete with 2 x fixing plates and Antiluce fasteners for ease of use.

4 drainage holes along the bottom edge to eliminate water build up.

Pouch designed to take netting of up to 65 linear metres.

OSE-S1620

Please Note: We are able to offer supply and installation services not only for the dividing systems shown on this page but for many other systems, please request further details.
