

Indoor Cricket Installations

Single or Double Cricket Bay Facilities; full or half length netting mounted on trackway.

System Components Include:

- Wall mounted net storage pouches.
- Roof netting.
- Canvas sight screens (permanent and detachable types).
- Various Roll Up/Roll Down and permanent cricket surfaces are also available.

Please contact us with your enquiry, detailing hall size and required number of bays. We offer budget quotations or we can arrange a site visit for a firm quotation.
